

IT5106 - SOFTWARE DEVELOPMENT PROJECT

Progress Report <03>

Project Identification Information

Project title	: Web-Based National Park Management System for YALA NATIONAL PARK
Student's name with initials	: K.G.N.R. Kalawitagoda
Index no.	: 2000687
Supervisor's name	: MR. T.M.S. Yehen Tennakoon

Progress Report Period

Start Date: February 5th

End Date: March 4th

Work Carried out between this meeting and previous meeting

The below tasks were carried out during this period:

- Completed drawing the ER diagram by figuring out all entities based on the requirements I listed out.
- Almost have come to the end of the interface design.
- Started the development with login module.

Problems Encountered

- Had problems in selecting a proper interface which is suitable for my project topic.

Planned work that were unable to carry out with reasons

- Due to semester five examinations, I couldn't complete the interface design as I planned.

Work planned until next meeting

According to the feedback I received from my supervisor, I intended to complete following tasks until our next scheduled meeting.

- Plan to complete the interface design.
- Plan to draw the activity diagram.
- Plan to start up with a module to develop.
